

SYED SADAF ALMAS

Kadapa, India | +91 8978178896 | sadafalmas529@gmail.com [LinkedIn](#) | [GitHub](#)

CAREER OBJECTIVE

To secure an fresher-level position, where I can leverage my academic foundation in ECE along with hands-on experience in Python, SQL, and AWS. I aim to contribute to data-driven projects while upskilling in AI/ML and cloud technologies to drive organizational innovation and business impact.

TECHNICAL SKILLS

- **Data Engineering:** Databricks, Apache Airflow, Snowflake (Basics), SQL (PostgreSQL, MySQL, Oracle)
- **Cloud (AWS):** EC2, S3, RDS, Lambda, CloudWatch, Athena
- **Programming & Frameworks:** Python (Pandas, NumPy), Pytest, Great Expectations
- **IoT & Embedded:** ESP32, Firebase Integration, IoT Monitoring Systems
- **Tools & OS:** Git, PyCharm, Jupyter Notebook, Linux (Ubuntu, SuSE), MS Excel (Advanced)

PROJECTS

Soldier Health Care Monitoring & Tracking System | *IoT & Cloud*

- Engineered an IoT-based health system using **ESP32 and Firebase** for real-time vitals tracking.
- Integrated **Starlink** connectivity to ensure global tracking capabilities in remote areas.
- Developed a web/mobile interface for remote monitoring and cloud data synchronization.

Cafe Billing System | *C Programming & SQL*

- Designed a menu-driven application to automate order management and inventory tracking.
- Implemented data handling logic to sync stock updates and minimize manual entry errors.
- Focused on modular coding practices and structured UI for enhanced usability.

EXPERIENCE & INTERSHIPS

AI & ML Intern | *ExcelR*

- Completed intensive training in AI/ML concepts, focusing on data preprocessing and visualization.
- Utilized Excel and Python for dataset analysis and basic model building.
- Applied real-world problem-solving approaches to data-centric challenges.

EDUCATION

- **B.Tech (ECE)** | Sri Venkateswara College of Engineering, Kadapa | **84%** | 2023 – 2026
- **Diploma in Engineering** | Bharath Engineering College, Kadapa | **76%** | 2020 – 2023
- **SSC** | Bhashyam English Medium High School, Kadapa | **99%** | 2020

CERTIFICATIONS & STRENGTHS

- **Certifications:** Microsoft Excel (Skill Nation), PowerPoint (Skill Nation), Solar PV Installer (Synchro Serve).
- **Core Strengths:** Excellent Verbal & Written Communication, Time Management, and a proactive approach to learning new tech stacks.
